1 shoe compartments + 1 tray or 4 trays

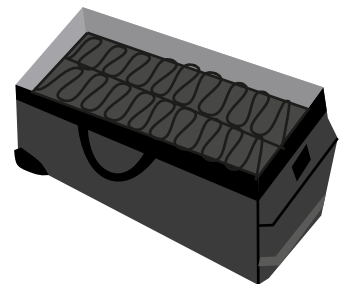

1 SHOE COMPARTMENTS - Put a shoe compartments in a bag

► Take out the shoe compartments

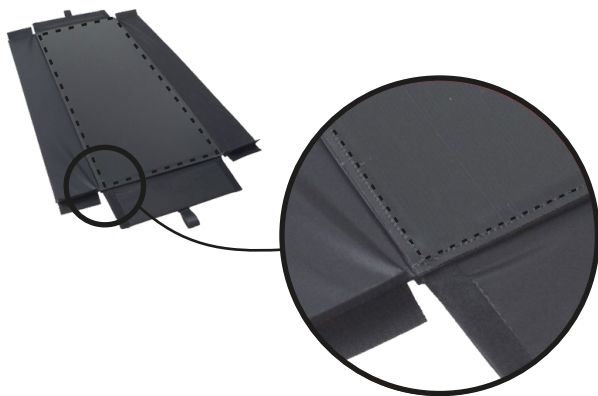

► Insert the shoe compartments in the bag and attach it to the velcros strips

2 TRAYS - Fold a tray

► Put the tray in flat

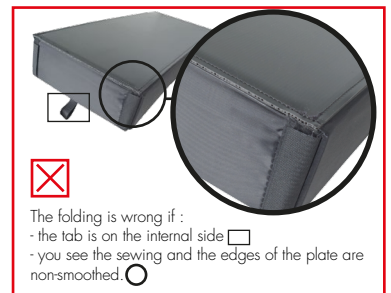

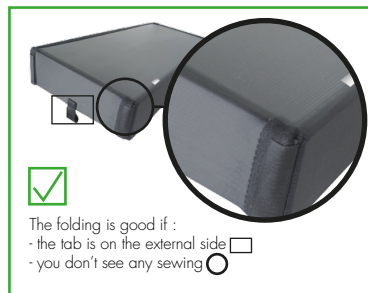

⚠ The sewing has to be visible - - - -

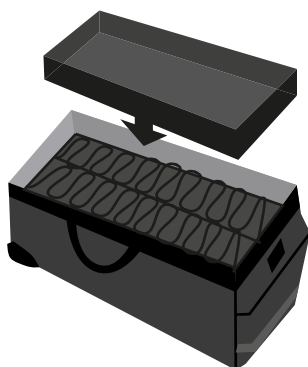

► Fold the four corners of the tray:

► Check the conformity of the folding by turning over the tray:

OPTION 1: 1 shoe compartments + 1 tray

OPTION 2: 4 stacking trays

⚠ If you have some difficulties to close the bag with 4 trays, you probably fold the trays backwards.
