ABOUT US

Bag PRO designs and manufactures solutions aimed to professionally PACK, PROTECT & PRESENT your apparel collections.

Lying on forty years of expertise with the leading European fashion brands, Bag PRO brings to the US market its characteristic commitment to quality and innovation. We manufacture Bag PRO's professional bags with the aim of anticipating and meeting the expectations of the most exigent experts of the textile industry.

LIGHT AND STRONG PRODUCTS

Bag PRO luggage is crafted from lightweight yet exceptionally durable materials. They ensure maximum reliability, stability, and ease of handling for demanding professional use.

FIELD-TESTED AND APPROVED

Each Bag PRO product undergoes rigorous laboratory and real-world testing to meet the highest professional standards. Our R&D department oversees every stage to guarantee the quality of each component—from fabric and zippers to wheels and shoulder straps.
